PROFESSIONAL SUMMARY

Experienced Sales and Business Development professional with 8 years of work across merchant onboarding, Retail, and Marketing. Skilled in leading teams, growing revenue, and building strong relationships with clients. Good at using data to improve sales, increase customer retention, and make brands more visible. Experienced in market research, giving presentations, and closing important deals. Comfortable working with different teams, guiding customers, and using CRM tools to manage sales smoothly. Always focused on meeting and exceeding sales targets while keeping customers happy.

WORK HISTORY

October 2023 - Current
Area Growth Manager, Magic Pin, Gurgaon, India

- Lead a team to achieve **25% revenue growth** and expand Magicpin's restaurant & QSR network.
- Own end-to-end account management: onboard partners, run weekly reviews, and hold one-on-one meetings with owners/managers.
- Drive B2B sales by negotiating performance-based deals and joint business plans with local and national chains.
- Analyze daily/weekly revenue data to spot trends, tailor pitches, and recommend targeted promotions (banner ads, Add-Sales, Magic9).
- Utilize CRM to assign leads, track team performance, measure win-rates, and streamline the sales pipeline.
- Conduct competitor analysis and market research to uncover growth opportunities and refine sales strategies.

December 2022 - October 2023
Area Sales Manager, TenBHK Technology Pvt. Ltd. New Delhi, India

- Listed properties online and kept the information up to date.
- Helped the company manage profits and losses.
- Used online tools to market the properties and attract more customers.
- Talked to customers, answered their questions, and showed them the properties.
- Managed a large team and trained new team members.
- Created and maintained Excel reports for daily work and client records.

January 2022 - December 2022
Senior Account Manager, Housing.com, New Delhi

- Led a large team to consistently achieve and exceed monthly sales targets through strong motivation, training, and performance tracking.
- Managed end-to-end client relationships, including onboarding, support, and retention, resulting in high customer satisfaction and business growth.
- Ensured 100% data coverage in the assigned territory by maintaining accurate records and overseeing territory performance.
- Handled Profit & Loss (P&L) responsibilities and collection processes, contributing to improved financial performance in the region
- Drove business development by acquiring new clients, managing sales leads, and

- negotiating with stakeholders across different seniority levels.

August 2019 - January 2022
Marketing Manager, Trade India (Info Com Network Pvt Ltd.), New Delhi

- Reached out to small and medium businesses to offer them solutions that help their business grow through TradeIndia.com, India's largest B2B marketplace.
- Manage the complete sales cycle from lead generation to deal closure and client satisfaction.
- Build and maintain strong relationships with clients to understand and meet their business needs.
- Work closely with the sales team to achieve monthly sales targets and share best practices.
- Maintain accurate sales records and customer information using Excel and other tools.
- Acquire new customers and contribute to the overall sales growth in the assigned region.

June 2016 - August 2019
Relationship Manager Just dial limited, New Delhi

- Delivered over 500 sales pitches and presentations, achieving an impressive 80% conversion rate.
- Assisted the sales team in qualifying leads and developing strategies, improving the conversion rate by 70%.
- Collected payments from new clients and ensured smooth onboarding.
- Upsold additional services to existing clients, increasing overall sales value.
- Acquired new clients through cold calls, follow-ups, and personalized business solutions.
- Built strong relationships with clients, which helped drive consistent revenue growth
