EDUCATION

Gautam Buddha University **Greater Noida ,U.P**
Master's of Computer Application *2023 - 2025*
CGPA – 8.2

Ch. Charan Singh University **Meerut, U.P**
Bachelor's of Computer Application 2020 - 2023
CGPA – 6.9

TECHNICAL SKILLS

General: Data Cleaning, Data Analysis, Data Visualization, Data Manipulation, Data Preprocessing, Machine Learning
Programming Languages: Python, SQL
Libraries: Pandas, Numpy, Matplotlib, Seaborn
Database: MySQL,
Tools/Utilities: MS Excel, MS PowerPoint, MS Power BI, Git/GitHub, VSCode , Juypter Notebook

EXPERIENCE

Data Analyst Intern
Kiya Technologies | Mar 2025 – Apr 2025

- **Developed interactive Power BI dashboards to visualize European sales data, including KPIs like sales, profit, and quantity sold.**
- **Analyzed top/bottom selling products, sales by country and city, and shipping mode performance.**
- **Extracted actionable insights to support strategic decision-making using trend analysis and segmentation.**

PROJECTS

- **Exploratory Data Analysis on Diwali Sales View**

- **Project Title**: Exploratory Data Analysis on Diwali Sales
  Tools & Techniques: Python, Pandas, Matplotlib, Seaborn, Jupyter Notebook
  Role: Data Analyst – performed data cleaning, visualization, and insight generation
  Objective: To analyze Diwali sales data and uncover trends to support business decisions
  Impact: Improved analysis efficiency by 20%, identified key customer segments and product trends

- **Sales-Analysis using Power BI View**

- **Project Title**: Sales Analysis using Power BI
  Tools & Techniques: Power BI, DAX, Excel
  Role: Designed and developed interactive dashboards for sales KPIs
  Objective: To visualize and monitor Europe sales performance and shipping trends
  Impact: Enhanced executive decision-making and reporting efficiency through real-time, insight-driven dashboards

CERTIFICATIONS

Machine Learning March 2024 View
- NPTEL Machine Learning certification covering supervised/unsupervised learning, classification, and model evaluation with hands-on algorithm applications.
