PROFESSIONAL EXPERIENCE

Technical Support Analyst | Solugenix India Pvt. Ltd. – Hyderabad, Telangana | May 2024 – Dec 2024

- Created and maintained technical documentation and knowledge base articles to support end-users and streamline issue resolution.
- Delivered Tier 1 and Tier 2 technical support for enterprise software and hardware issues via phone, email, and remote desktop tools.
- Conducted root cause analysis and implemented solutions to reduce recurring issues and improve system uptime.
- Managed and resolved incidents using ticketing systems such as ServiceNow, ensuring SLA compliance and timely escalation.

IT Support Engineer | Binary Semantics Limited – Gurgaon, Haryana | Oct 2022 – Oct 2023

- Provided desktop support, including installation, configuration, and troubleshooting of operating systems, software, and peripherals.
- Assisted in network troubleshooting including VPN connectivity and Wi-Fi issues for end-users.
- Monitored IT infrastructure and escalated unresolved issues to senior teams or vendors following escalation protocols.
- Ensured compliance with IT security policies by applying software patches and updates regularly.

Technical Support Associate | Genpact India Private Limited. – Gurgaon, Haryana |June 2019 – Dec 2019

- Delivered customer-focused technical support for business applications, handling inquiries and troubleshooting via phone and chat.
- Logged and tracked incidents using ticket management systems, escalating priority cases as needed.
- Guided end-users through issue resolution steps, improving customer satisfaction and first-contact resolution rates. Assisted in maintaining service quality by following predefined ITIL processes and operational guidelines.
- Coordinated with internal teams to ensure timely resolution of technical and operational issues.

EDUCATION

Bachelor of Engineering in Electronics and Communication Engineering, Rajiv Gandhi Technical University (RGPV), Bhopal.
