EDUCATION

GURU TEGH BAHADUR INSTITUTE OF TECHNOLOGY NEW DELHI
Bachelor of Technology(B.TECH) in ELECTRONIC AND COMMUNICATION CGPA: 8.2/10

GURU TEGH BAHADUR POLYTECHNIC, NEW DELHI DIPLOMA
Aggregate: 75%

S.B.B.M.G.S.V, NEW DELHI Class X (CBSE)
Aggregate: 57%

Objective

Driven B.TECH graduate with a keen interest in Electronics and IT, seeking an entry-level position where I can apply my academic knowledge and passion for these areas. Eager to contribute to the organization's success by optimizing IT and electronics processes, and supporting the development of a talented workforce. Committed to continuous learning and growth while delivering value through a proactive and results-oriented approach.

EXPERIENCE

1) WEB DEVELOPMENT, UDEMY Internship: Aug 22-Nov 2022

- Internships often provide real-world projects where I can apply what I've learned in a practical setting. This might involve building websites, implementing features, or fixing bugs under the guidance of experienced developers.
- Have a keen Knowledge of languages like HTML, CSS, JavaScript, React, Node, Bootstrap.
- Web development often involves troubleshooting and problem-solving. During my internship, I will encounter challenges that require logical thinking and creativity to solve, which is a valuable skill in any tech role.
- Successfully completing projects during my internship can enhance my portfolio, making me more attractive to future employers or clients.

2) Seah India Precision Metal Pvt. ltd Internship: JULY 2022-AUG 2022

- Internships provide opportunities to work alongside engineers, technicians, and other professionals in the field. Interns develop communication skills by presenting findings, collaborating on projects, and receiving feedback from mentors.

3) Sky High Vigilance LLP Internship: SEP 2024-FEB 2025

- Assisted in developing and maintaining responsive web pages using HTML, CSS, JavaScript, ensuring cross-browser compatibility and performance optimization.

- Collaborated with senior developers to integrate backend services with MySQL databases and enhance website functionality.
