ABOUT ME

I am an accounting specialist with expertise in GST filing, TDS, and income tax filings, along with substantial experience in foreign remittances and auditing financial documents to ensure accuracy and compliance. Proficient in Tally and Zoho Books, I manage bookkeeping, Zoho inventory, and prepare financial statements.

My key strengths include maintaining books of accounts, handling foreign payments, and assisting organizations in tackling their accounting challenges while adhering to all regulatory standards. I am highly detail-oriented and strive to deliver high-quality results in fast-paced environments.
