Professional Summary

Proactive and technically proficient Desktop Support Engineer with over 3.7 years of experience delivering L1/L2 IT support, resolving hardware/software issues, and managing enterprise-level systems. Skilled in Active Directory, VPN setup, and network troubleshooting. Adept at supporting Microsoft 365 tools such as Outlook and Teams, ensuring minimal downtime and maximum user satisfaction.

Professional Experience

Desktop Support Engineer L2
Max Life Insurance (TCS Project) – SVN Systech India Pvt. Ltd., Delhi
Aug 2023 – Present

- Provide L2 support for desktops, laptops, printers, and business-critical applications.
- Troubleshoot LAN, Wi-Fi, VPN, and other network-related issues.
- Manage 10–15 tickets daily using ServiceNow, ensuring SLA compliance.
- Perform Active Directory tasks: user creation/deletion, password reset, hostname creation, VPN access, shared drive access, and mail backup and provide outlook license via O365.
- Install and configure OS, applications, patches, and shared/network printers.
- Resolve Outlook, Teams, browser, and shared drive issues.
- Address OS bugs, VPN errors, and security non-compliance issues.
- Manage laptop issuance and asset inventory.
- Document recurring issues and resolutions for internal knowledge sharing.

Desktop Support Engineer L2
Impact Infotech Pvt. Ltd., Delhi
Mar 2022 – Jul 2023

- Delivered L2 support for Windows 10/11 and macOS environments.
- Resolved Outlook, Teams, and ERP application issues.

- Handled VPN connectivity problems (Cisco AnyConnect, Instasafe) and domain login errors.
- Troubleshot printer access and shared drive connectivity issues.
- Conducted end-user training to reduce repeated support incidents.

Desktop Support Engineer L1
Grofers Pvt. Ltd. (Team Computers Pvt. Ltd.), Delhi
Nov 2021 – Mar 2022

- Provided onsite support for desktops, laptops, and basic networking issues.
- Installed and updated operating systems, antivirus, and essential software.
- Performed hardware diagnostics, repairs, and maintained IT asset records.
