Objective

Motivated and detail-oriented MCA graduate with a solid understanding of networking protocols, routing, switching and database management systems. Seeking an entry-level networking position to leverage my technical skills and hands-on experience to contribute effectively to a dynamic team.

Education

Master of Computer Applications (MCA)
Axis College, Kanpur || 2020-22
Bachelor of Computer Applications (BCA)
Dayanand Academy Management Studies, Kanpur || 2017-20

Professional Experience

IT support and Web Developer, (K2 Technologies) Kanpur, U.P. August 2023 – February 2024

- Developed and maintained dynamic websites and web applications using PHP, HTML, CSS, and JavaScript.
- Collaborated with senior developers to implement server-side logic and database management using MySQL.
- Debugged and resolved issues in existing codebases, enhancing overall application stability and performance.
- Provided IT support for troubleshooting network issues, system configurations, and hardware/software installations.
- Assisted in configuring and maintaining servers, ensuring uptime and efficiency for web applications.
- Conducted basic cybersecurity assessments to identify vulnerabilities and recommend improvements.

Technical Skills

- **Networking Protocols:** TCP/IP, OSPF, BGP, EIGRP, VLAN, VPN, STP, ACL, HSRP, Router Security
- **Routing & Switching:** Configuration, troubleshooting of routers and switches
- **Networking Tools:** Cisco Packet Tracer, Wireshark
- **Database:** SQL
- **Server:** Subnetting, DHCP, DNS, window 2019
- **Linux**
- **Programming Languages:** PHP, JavaScript, HTML, CSS

Projects

Networking Project:

- Designed and configured a simulated network using Cisco Packet Tracer.
- Implemented routing protocols such as OSPF and BGP to optimize network performance.
- Developed and tested network security measures to enhance system protection.

Certification

- **Ongoing Ethical Hacking (Sept 2024 – Present)**
- Python Programming (core) by Bayesian Tech
- Routing and Switching Technology by Bayesian Tech
- PHP by UPTEC

Expertise

- Strong analytical and problem-solving abilities.
- Effective team collaboration and communication skills.
- Adaptability and eagerness to learn in a fast-paced environment.
