ACHIVEMENTS

My working experience in renowned companies related to product sales, customer support & automation have given me an exposure to work on key positions pertaining to regional sales and achieving set sales targets.

I strongly believe that teamwork is the only way to achieve the company's common goal with a touch of leadership skill, self-motivation, hard work, honesty and perseverance. "Never Give up" state of mind and my own belief of "starting from the grass root level" have been my strengths in walking the path of success till date.
