PROFESSIONAL SUMMARY

A dedicated BTech graduate with strong skills in **data analytics, Power BI**, **SQL**, and **Excel**, and a fervent passion for the IT industry. Experienced in building interactive dashboards, analyzing data, and providing actionable business insights. Eager to contribute to **innovative**, **data-driven projects** in a dynamic work environment while continuously enhancing my technical expertise and adding value to organizational success.

TECHNICAL SKILLS

- Programming Language: **Java, Python**
- Database & Tools**: SQL, MS Excel, Google Sheets**
- Data Visualization & Analytics: **Power BI, Excel** (Macros, VBA, Pivot Tables, VLOOKUP, INDEX MATCH), **Google Sheets**
- Web Technologies: **HTML, CSS**
- Productivity Tools: **MS Word, MS Excel**
- Other Skills: **Debugging, Data Cleaning, Data Modeling.**

SOFT SKILLS

Flexibility | Team Collaboration | Problem Solving | Analytical Thinking | Critical Reasoning | Effective Communication

PROJECT EXPERIENCE

❖ Power BI Developer Project – HR Analytics Dashboard

Tools & Skills Used: Power BI | DAX | Excel | Data Visualization | Data Modelling | Dashboard Development.

Project Description: Developed an interactive **HR Analytics Dashboard** using **Power BI** to analyze and visualize employee data, focusing on attrition trends and workforce distribution. The dashboard provided key HR insights like average salary, age distribution, attrition rates, and employee count by department, role, and education level. This project helped HR stakeholders make data-driven decisions for improving employee retention and organizational planning.

Key Responsibilities:

- Imported employee data from Excel and built relational data models in Power BI.
- Created calculated columns and DAX measures to derive KPIs like:
  - Attrition Rate, Average Salary, Average Age, Years at Company.
- Designed dynamic visuals: bar charts, stacked columns, pie charts, and KPI cards.
- Applied filters and slicers (e.g., Gender, Department, Education, Salary Slab) for interactive user experience.
- Identified patterns in attrition across job roles, age groups, and departments.
- Presented insights using clean visual storytelling, supporting HR analytics and decision-making.

EDUCATION

2019-2023

Techno Main, Salt Lake
B. Tech (2019 – 2023)
CGPA - 8.92

ACHIEVEMENTS

- **GATE 2023 Qualified** 2023
- **State-Level 1st Prize – Drawing Competition** 2014
- **3rd-Year Certification in Classical Singing** 2016
- **NGO Volunteer – Worked as a Teacher, contributing to social welfare** 2014
