CAREER OBJECTIVE:

Enthusiastic and detail-oriented Network Support Engineer with hands-on experience in configuring and maintaining routers, switches, and firewalls. Strong understanding of routing, switching, subnetting, and network troubleshooting. Seeking a challenging position where I can utilize my technical skills and grow within the IT infrastructure and networking domain.

EDUCATIONAL QUALIFICATIONS:

Qualification	Institution	Percentage
BCA in Cloud & Cybersecurity	Tilak Maharashtra Vidyapeeth, Pune	Pursuing (Expected 78%)
Intermediate (MPC)	Bhalukmari H.S School	67%
Secondary School Certificate (SSC)	Shankardev Vidya Niketan Kaki-1	58%

Work Experience:

- **L1 Network Support Engineer** – [Sudhana Telecommunication Private Limited]
- [Start Date:**12-07-2023**] – [End Date: **31-07-2025**]
- Provided first-level support for network infrastructure.
- Installed and configured routers, switches, and wireless APs.
- Assisted with firewall basic configuration, NAT, and security policy monitoring.
- Monitored network performance and documented incidents and resolutions.
- Provided technical support to users and internal teams.

Self-Directed Project:

Project-01:

- **Devices**: Mikrotik CCR2116 Router, TP-Link SG2110 PoE Switch, TP-Link EAP670 Access Points, FMS and TP-Link SG3210 Non PoE switch.
- **Tools** : Winbox, TP-Link Omada Hardware Controller OC-200
- Deployed TP-Link SG2110 PoE switch for structured connectivity and PoE delivery to access points.
- Configured **WAN**, **NAT, DHCP** server on Mikrotik router.
- Installed and configured TP-Link EAP670 access points for enterprise-grade wireless coverage using the Omada Hardware Controller.
- Implemented basic network security measures, SSIDs, and bandwidth management.
- Conducted performance testing and troubleshooting to ensure stable connectivity.

Project-02:

- **Tools** : Winbox
  Devices : Mikrotik CCR2116, Huawei S5735 Switch
  Client : **Airtel** (1 Gbps Internet Link)
- Configured Mikrotik CCR2116 router to manage and distribute a 1 Gbps Symmetric bandwidth internet link provided by Airtel.
- Implemented a /24 private IP subnet on the Mikrotik for static routing and allocation to downstream customers.
- Ensured stable and secure internet delivery to multiple clients through **NAT**, **firewall rules**, and **Queue** management on Mikrotik.
- Verified link redundancy, optimized routing, and performed testing for throughput and latency compliance.

TECHNICAL SKILLS:

- **Routing** : Static, Default, Dynamic (RIP, IGRP, EIGRP, IS-IS, OSPF, BGP)
- **Switching** : VLAN, Inter-Vlan Routing, VTP, STP, RSTP, Port Security, DHCP Snooping
- **IP Addressing** : IPv4/IPv6, Subnetting, VLSM
- **Security** : Basic Firewall configuration (FortiGate), NAT, ACLs, SSH, Telnet
- **Basic UTM** : Web Filtering, Antivirus, Application Control.
- **VOIP & Telephony** : SIP Trunk, Asterisk-A20 IP Phones Provisioning and Deployment.

Hardware & Software:

- Proficient in assembling and disassembling desktop PCs and laptops
- Installation and configuration of hardware components (RAM, HDD/SSD, GPU, CPU, motherboard)
- Troubleshooting and diagnosing hardware issues (POST errors, overheating, connectivity)
- Experience with BIOS/UEFI configuration and firmware updates
- Familiar with peripheral device setup (printers, scanners, monitors, USB devices)
- Knowledge of power supply units (PSU) and system power requirements
- Windows OS installation & troubleshooting (Windows 10, 11, 11 Pro)
- Microsoft Office (Excel, Word, PowerPoint, Outlook)
- System upgrades, software activation, hardware troubleshooting.
- Computer Assembling and Disassembling.

NETWORK EQUIPMENT EXPERIENCE

Routers: TP-Link Routers (Deco S7, M4, X20), Cisco RV340, Mikrotik CCR2116, Fortinet Firewall 100F

Switches: **Cisco SG350**, **CBS350**, **Catalyst 9300**, Huawei S5735 Core Switches, TP-Link SG3210 non-PoE, TP-Link SG2110 PoE

Controllers:
TP-Link Omada Hardware Controller (OC200 & OC300)
Cisco Cloud Controller.

Access Points: Aruba 505, Cisco Catalyst 9100, TP-Link EAP670

IP-PBX: Zyco Coovox U20, U80, T100

STRENGTHS:

- Strong analytical and troubleshooting skills
- Quick learner and adaptable to new technologies
- Team player with effective communication abilities
- Ability to handle multiple tasks in dynamic environments

PERSONAL DETAILS:

- Date of Birth : 25-01-1999
- Marital Status : Unmarried
- Nationality : Indian
- Languages Known : English, Hindi
- Total work Experience : 02 Years

DECLARATION:

- I hereby declare that the information mentioned above is true to the best of my knowledge and belief.
