Objective:

Aspiring Linux system administrator currently undergoing training and preparing for RHCSA certification. Looking for an entry-level position where I can apply my skills in Linux system administration, desktop support, and shell scripting, and grow with the organization.

Skills Summary:

- Linux Administration: Installation, user management, file system handling, permissions, basic troubleshooting.
- RHCSA Knowledge: Managing users/groups, configuring local storage, basic networking, firewalls, SELinux.
- Shell Scripting: Writing simple automation scripts using bash.
- Desktop Support: Software installation, printer configuration, troubleshooting hardware and network issues.
- Tools/Technologies:
- OS: Red Hat Enterprise Linux, Ubuntu
- Command Line: Vi, top, systemctl, firewalld, nmcli
- Networking: IP configuration, ping, traceroute, SSH
- Virtualization: VirtualBox, VMware Workstation

Certifications & Training:

- Red Hat Certified System Administrator (RHCSA) *(In Progress)*
- Expected: [July, 2025]
- Training includes user/admin tasks, disk management, SELinux, firewalls
- Linux System Administration Training
- 6-month training at Sadhix Institute, Vashi, Mumbai
- Covered RHEL basics, shell scripting, and troubleshooting practices
- Windows OS troubleshooting.
- Tools/Technologies:
  - OS: Red Hat Enterprise Linux, Ubuntu, and Windows 10/11
  - Networking: IP configuration, ping, traceroute, SSH, RDP
  - Others: MS Office, Remote Desktop, Disk Management

Projects [college]:

Cloud DevOps Web Deployment Project

- Built an end-to-end CI/CD pipeline using Git, Jenkins, Docker, and Ansible
- Automated webpage deployment onto containerized environments
- Used Jenkins to trigger Ansible playbooks that deployed Docker containers
- Version control managed via Git with automated testing and build process
- Gained hands-on experience in cloud-based infrastructure setup and DevOps practices

Education Qualification:

- BSc [IT], HNBGU - Himalayan Institute of Technology, 2022–25 (Pursuing)
- Intermediate, UP Board Govt. Jubilee Inter College, Gorakhpur, 2021 – 65.02%
- High School, CBSE N.J.M.S Kasia, Kushinagar, 2018 – 55.43%

Internship:

- Organization: Feather Thread Corporation LLP, Greater Noida
- Designation: Web Development – Duration: 2 months

Strengths:

- Quick learner and passionate about open-source technologies
- Strong troubleshooting and problem-solving skills
- Good communication and teamwork abilities

Declaration:

I hereby declare that the above information is true to the best of my knowledge.
